### Costs

To take part in the DofE, participants pay a nominal fee for a *Welcome Pack*, which includes their DofE Participation Place. This fee is their contribution towards the charity's administration costs.

The fee represents only a proportion of the overall cost of participation/running the DofE, which is supported by the funds raised by the DofE charity. The current charge for participation can be found at **DofE.org/cost**.

Your Licensed Organisation and/or centre may add a small administration fee to this amount and they must explain this clearly to you. There will also be costs for the activities and expedition, depending on what is chosen.

# **Supervision**

DofE Leaders and Expedition Supervisors undergo safeguarding and other checks and training through their Licensed Organisation to ensure young people have access to a high quality programme.

## Can you help?

Whatever activities your child has chosen to pursue for their DofE programme, they will need your support and guidance to help them through. You may also need to encourage them to keep their eDofE pages up-to-date.

It's easy to keep on top of everything thanks to our regular e-newsletter, which is full of tips, helpful resources and recommended kit and expedition advice. Plus, you'll get access to exclusive discounts, events and prize draws. Sign up to the newsletter at **DofE.org/preferences** and get more

information and advice at **DofE.org/do/** parents.

I love the core principles of the DofE... 'access and achievement for all'. We all grow, develop and mature at different stages... the DofE recognises this – allowing young people to achieve without competitive pressures."

# A life-long adventure...

The Duke of Edinburgh's Award (DofE) develops young people for life and work. It helps them to fulfil their potential and have a brighter future. For many young people, the impactcan be life-changing.

### What is the DofE?

Anyone within the age range below can take part in three progressive levels of programmes leading to a Bronze, Silver or Gold DofE Award.

Whatever they choose to do for their DofE, they'll make friends for life, have amazing experiences and enhance their CV and college or university applications.

- **Bronze** start the school year in which they turn 14
- **Silver** start the school year in which they turn 15
- Gold start at 16+ years old

To achieve their DofE Award, young people complete their own programme of activities in these sections:

#### **Volunteering**

From helping at an after-school kids' club or running an awareness campaign to raising money for a charity or working on a recycling project, young people can get out and help others.

#### **Physical**

From football to yoga, swimming to skateboarding, participants get active as they take part in a sport, dance or fitness activity and show improvement over time.

#### **Skills**

Participants learn a new skill or develop existing talents. From DJ'ing and science to drama and zoology, the sky's the limit!

#### Where to do the DofE

DofEprogrammes are delivered under licence by our partners (Licensed Organisations) who offer them through DofE centres, from youth clubs, schools and colleges, voluntary organisations, to young offender institutions and businesses.

#### **Expedition**

Through planning, training for and completing an adventurous journey in the UK or abroad, young people develop initiative and a spirit of adventure and discovery.

#### Residential (Gold level only)

Participants take part in a shared activity away from home with people they don't know. For example: a conservation holiday, a language course or helping on a kids' activity camp...

Participants keep track of their progress and get their Awards approved by their Leaders through our online record keeping system, eDofE.

# What will my child gain?

There's not enough space here to list all the benefits so here's a quick snapshot:

- Help to make their community a better place to live.
- Get healthier and happier.
- Become more confident and motivated to succeed at school and beyond.
- Learn how to overcome challenges and be more self-sufficient and resilient.
- Develop positive relationships with teachers outside of the classroom.
- Improve their social skills and make new friends.
- Open doors to further education or employment.

The DofE has already helped millions of young people to learn, grow and stand out from the crowd in college, university and job applications now it's your child's turn.

See what top UK employers say about the DofE and its value to young people at **DofE.org/skillsforwork**.

# **How long does** it take?

You can expect each activity to take around one hour a week over a set period of time. Activities can be fitted in around your child's studies and social life.

They'll need to participate regularly and be committed to their DofE during this time.
